CORPORATE SUMMARY

Creative Is a Line & part of Middle East Co.,
founded in 2002, we are the fastest growing entrepreneur for the state-of-the-art service-mangement and business solutions in the region. Headquartered in Kuwait and having our branch in Egypt, the company is mobile throughout the gulf and the Middle East region.

Customer-focused and driven, consultive firm, is the best in describing Middle East. We build our strategies based on our proactive treatment of satisfying clients' needs.

Market Oriented sales people are driven our vision in Kuwait and Middle East Market. We consider Kuwait market as the most developing market success, as we aspect our think-tank to be headed toward helping our client reaching operational excellence in their enterprises.

Our aim is always to ensure the delivery of effective solutions that address the fundamental needs of our clients' business. This is achieved by leveraging our high level domain expertise and assisting our clients to have effective business alliances with best-in-class technology providers.

Middle East is highly focused on helping enterprises respond to market demands by providing an agile architecture that reduce costs and increase profits. Whilst primarily providing our service to the banking and telecommunication sectors, we are rapidly moving into other industry sections.

2. SOLUTION DESIGN & IMPLEMENTATION

Middle East helps clients to align their business strategy with the appropriate enterprise architecture by identifying the key business drivers and translating them to a technology blueprint. After having such outputs from the clear analysis and mapped business requirements with the strong fitting of ERP modules, we start formulating the solution design to be proposed in our implementation phase.

OUR KEY IMPLEMENTATION EXPERTISE AREAS INCLUDE:

1. Oracle Financials
2. Oracle Supply Chain Management
3. Oracle Human Resources Management
4. Oracle Projects
5. Oracle Production
6. Oracle e-Commerce
7. Oracle POS
8. Oracle Learning Management
9. Oracle Medical Management
10. Oracle Digital Content Management
11. Oracle Activity Management
12. Oracle Real Estate Management
13. Mobile Applications
14. RFID Smart Solutions

Copyright © Middle East, 2007–2023

A.4 POST IMPLEMENTATION SUPPORT

Middle East is committed to the success of our clients beyond implementation. We provide **comprehensive post implementation support** to transfer knowledge, build in-house capabilities, and ensure operational excellence.

We consider our role is not just delivering solutions, but also empowering **our clients with the required knowledge and mature understanding** of how to efficiently use their ERP system to support their continuous improvement initiatives from the client side.

OUR POST IMPLEMENTATION SUPPORT SERVICES INCLUDE:

01

Full Oracle Support

Our experienced staff is dedicated for direct support activities at the client's premises.

02

Full Office Support

Support is performed using our help desk and internal support team. Manual/book keeping, by delivering combinations of Oracle & Office support activities.

03

Managed Services

Leveraging our experience in the Middle East market, we have developed this model to combine all of the above support services in one complete pricing while providing a combination of our support services expertise.
